PRESS RELEASE

Date: March 7, 2025
Case Number: 25ES001582

Narrative: On March 6, 2025, at 9:48pm, officers from the Essex Police Department responded to Park Street between the Five Corners and Silver Bow Terrace for multiple reports of a male dressed in dark clothing walking in the roadway. Prior to arrival, Essex dispatch received additional reports about a motor vehicle vs. pedestrian traffic crash.

When officers arrived on scene, they located a male consistent with the report laying in the roadway unresponsive. It appeared the male had been struck by a motor vehicle that remained on scene. Officers attempted to render first aid and initiated CPR. Essex Rescue as well as Essex Junction Fire arrived and performed resuscitative efforts with advance life support interventions. Despite efforts, the male was later pronounced dead on scene. His name is being withheld at this time pending notification of his family. Essex Police Department was assisted by the following agencies, Williston Police Department and AnyTime Towing.

Due to an on-going investigation, the identity of the vehicle operator may be released at a later time. Anyone who was in the area of Park Street around 9:30pm who may have witnessed the accident, the male, or have surveillance video of the area at that time, is encouraged to contact the Essex Police Department.
