 - b. **Continuing** to solicit from a person or continuing to engage that person after the person has given a negative response to such soliciting.
 - c. **Intentionally** or recklessly touching or causing physical contact with another person or that person's property without that person's consent in the course of soliciting.
 - d. **Intentionally** or recklessly blocking or interfering with the safe or free passage of a pedestrian or vehicle by any means, including unreasonably causing a pedestrian or vehicle operator to take evasive action to avoid physical contact.
 - e. Using violent, obscene or threatening gestures toward a person solicited.
 - f. **Following** the person being solicited, with the intent of asking that person for money or other things of value.
 - g. **Speaking** in a volume unreasonably loud under the circumstances.
 - h. **Soliciting** from anyone who is waiting in line.
- B. **Average sound level:** A sound level during a given period of time found by the general rule of combination of sound levels. Also called equivalent sound level.
- C. **Decibel (dB):** means a unit for measuring the volume of a sound, equal to 20 times the logarithm to the base 10 of the ratio of the pressure of the sound measured to the reference pressure, which is 20 micropascals (20 micronewtons per square meter).

- D. **Fireworks:** shall mean any combustible or explosive composition, or any substance or combination of substances, or article prepared for the purpose of producing a visible or an audible effect by combustion, explosion, deflagration or detonation, including blank cartridges, toy pistols, toy cannons, toy canes, or toy guns in which explosives are used, balloons that are propelled by explosives, firecrackers, torpedoes, sky rockets, Roman candles, cherry bombs, or other fireworks of like construction and any fireworks containing any explosive or flammable compound, or any tablets or other device containing any explosive substance, except sparklers. The term "fireworks" does not include toy pistols, toy canes, toy guns, or other devices in which paper or plastic caps containing 0.25 grains or less of explosive compound are used, providing they are so constructed that the hand cannot come in contact with the cap when in place for use, and toy pistol paper or plastic caps that contain less than 0.2 grains of explosive mixture. The term "fireworks" does not include fixed ammunition for firearms, or primers for firearms. The term "sparkler" means a sparkling item that is in compliance with the United States Consumer Product Safety Commission regulations and is one of the following:
- a. A hand-held wire or wood sparkler that is less than 14 inches and has no more than 20 grams of pyrotechnic mixture; or
